## Community Forum

February 3rd, 2011

3:45 to 5:30 PM      Greylock Makepeace

We hope to facilitate a lively dialogue regarding issues of socioeconomic status and rank at Williams. The dialogue is open to faculty, staff and students, though space is limited to 20 participants. Intergroup dialogue is wholly interactive by its nature. It is held in small groups and is a relationship-building and processing model for people who don't otherwise know each other.
